WEEKLY REPUBLICAN—1907.
DAILY PUBLIC LEDGER—1909.

MAYSVILLE, KY., MONDAY, APRIL 25, 1904.

ONE COPY—ONE CENT.

POSITIVELY

Copy for "changes" in advertisements MUST be sent in before 2 o'clock on the previous day.

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Mrs. Mattie T. Worthington of the county is recovering from a severe sick spell.

According to Dun's reports, there were 241 failures in the United States last week.

R. E. L. Wilson contemplates moving a sixty barrel flour mill from Greenup to Dover.

Hon. James N. Kehoe has THE LEDGER'S thanks for a copy of the testimony in the recent Postal investigation before Congress.

The Ohio River Lumber Company has recently added a lot of new and improved machinery, making it one of the most complete mills of its kind along the Ohio river. They are employing a considerable number of men and are running full time.

Miss Edna Batterton, aged 17, died yesterday morning at 1 o'clock at her home in Lexington. Miss Batterton was a bright, beautiful girl and a general favorite in the social circle in which she mingled. She was a niece of Mrs. John B. Orr of East Third street, and had been a frequent visitor in the city.

Now that Spring Cleaning is at hand, your Silverware will need some cleaning, also your Plate Mirrors and Silver Toilet Pieces. We are offering the best silver polish ever offered. Guaranteed to give satisfaction or money refunded. A free sample on application. P. J. MURPHY, the Jeweler.

Mr. Thomas Reese, son of Mr. D. J. Reese of near Washington, who has been ill with an attack of appendicitis, was reported in an extremely critical condition this morning and his death thought to be but a few hours off. The young man is a member of the Senior Class of the Maysville High School, and is one of the brightest pupils of the class. He is the Captain of the Y. M. C. A. Football team of this city.

Saturday night as Bob Toup was swinging his handsome shape down Second street he was in a manner held up in front of the Navarro Cafe by three pretty girls of the smart set and three sandwiches demanded as a price for his liberation. Robert stepped inside and procuring the much desired Dutch lunch presented them—with one of his hand-me-down smiles throws in—to his fair captors, after which he was permitted to continue his promenade and lose himself in the crowd.

The cooper shop opposite the Old Gold Mills in East Third street is built on piling and the underneath part is a rendezvous for boys who pass the time in card playing. Their ages range from 10 to 14 years. If THE LEDGER were to print the names of the boys seen there Saturday evening no doubt the parents of the young gamblers would feel very much aggrieved and indignant at its assumption. It is a condition that should be eradicated, and if the police will cast their weather eye in that direction they will scoop in a lot of juvenile sportsmen.

MISS MAMIE AUSTIN

Miss Mamie Austin died this morning at 2 o'clock at the home of her parents, Mr. and Mrs. James Austin in Clifton, after a protracted illness of consumption, aged 34 years.

The funeral will take place tomorrow afternoon at 2 o'clock from the home after services by Rev. W. G. McCready.

Interment in Maysville Cemetery.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick fellows that count—and cut.

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

WILFUL MURDER!

[THE LEDGER is in receipt of a communication signed "Limestone Fire Company," which it is afraid to print, lest it be indicted, along with the writer of the article, for murder of the King's English and rape of Lindley Murray's Grammar. If the author of the communication will get some one to rig it out in a spring suit of common sense, so that it will not make the Fire Company appear ridiculous, it will be printed with pleasure.—ED.]

Delicious Soups.

FRANCO-AMERICAN—Ox Tail, Mock Turtle, Consomme, French Bouillon.

BRADLEY'S VICTORY

The Real Republican Leader Again Called to the Leadership

Kentucky Republicans have come to their senses at last!

Returns from 49 out of 119 counties in the state, as received Saturday night, show that former Governor William O. Bradley has a safe lead in point of instruction for Delegate-at-Large to the Republican National Convention, with John W. Yerkes second, George W. Long third, and Richard P. Ernst fourth.

Thirty-two of the counties heard from have instructed for Bradley, 21 for Yerkes, 14 for Long and 14 for Ernst.

M. B. Belknap and Senator W. H. Cox of this city were instructed for by a few counties, as were Jackson, Underwood and Smith, Negroes.

Lexington and Fayette county instructed for Jordan Jackson for Delegate-at-Large.

Jefferson county did not instruct for Delegate-at-Large, but it is conceded that it will go for Bradley first.

So far as heard from, the counties of the Ninth District instructed as follows:

Mason—For Bradley, Long and Ernst for Delegate-at-Large, W. H. Cox for District Delegate, and Yerkes for National Committeeman.

Greenup—Bradley and Yerkes for Delegate-at-Large, and Judge J. B. Bennett for Congressional Committeeman.

Lewis—Bradley; and for Dr. Bowman for District Delegate.

Nicholas—Bradley, Long and Ernst; Yerkes for National Committeeman, and for W. G. Dearing and Charles F. Weaver for District Delegates.

Bath—Bradley, Belknap, Long and Jackson; W. G. Dearing for District Delegate.

Boyd—Bradley, Yerkes and W. H. Cox for Delegates-at-Large; Charles F. Weaver for District Delegate.

Bracken—Bradley and Ernst; H. C. Metcalfe for District Delegate.

Fleming—Bradley, Long, Yerkes and Ernst; W. G. Dearing for District Delegate.

Robertson—Instructed for Bradley; uninstructed as to all others, including District Delegates.

BRADLEY WINS EARLY.

For former Governor Bradley it has been a runaway race in almost all the Districts.

The only counties where he has not received instructions have been in Central Kentucky, where Mr. Yerkes exercised a direct and potent influence. There Mr. Yerkes's ill-feeling toward Mr. Bradley was made manifest.

The returns indicate, though, that when a vote is taken in Convention Mr. Bradley will lead all the rest.

In Louisville the party machinery has been taken out of the hands of Charles E. Sapp, who has led the party to defeat for the past four years.

All the old liners are again in control, and that means the better element of the party. It is believed Mr. Sapp will fall into line and accept his defeat gracefully.

He will be succeeded in the management of the party by Colonel Albert G. Scott.

Mr. James Arthur continues quite ill with rheumatism at his home near Millersburg.

Eighty-three excursion tickets were sold at the C. and O. office in this city yesterday morning. The threatening weather no doubt accounts for the small number sold.

Oddfellows will tomorrow celebrate the 85th anniversary of the Order in America.

Mrs. Thomas A. Hickman of the Sixth Ward has recovered from a severe attack of the measles.

Are You a Dyspeptic?

If you are a dyspeptic you owe it to yourself and your friends to get well. Dyspepsia annoys the dyspeptic's friends because his disease sours his disposition as well as his stomach. Kodol Dyspepsia Cure will not only cure dyspepsia, indigestion and sour stomach, but this palatable, reconstructive tonic digests the whole digestive apparatus and sweetens the life as well as the stomach. When you take Kodol Dyspepsia Cure the food you eat is enjoyed. It is digested, assimilated and its nutrient properties appropriated by the blood and tissues. Health is the result. Sold by J. J. Gilbert Wilson, who resides in the bottom below town on the Ohio side, trapped a young eagle one day last week. It is a beautiful specimen of the American bald eagle, that is fast becoming extinct in this country. The bird was presented to Mr. William Chisholm and Mr. Ed. Whittington of this city.

It was a pleasing sight to see the great throng of people promenading the principal streets Saturday night. Between Market and Sutton, Second street was at times a perfect jam. A stranger striking the city on a Saturday night would form an opinion that Maysville was a wonderfully lively and active place, considering the number of inhabitants. Saturday night in this city is everybody's night, all are on the pad, big, little, white and colored. Everybody was apparently happy, and the show windows of our merchants never presented a more attractive or beautiful appearance.

PERSONS who are ever on the alert for a "cheap" job generally get it—in more ways than one.

THREE men were hanged inside of thirty minutes in Chicago; and the same day an unmasked highwayman "held up" four men in a saloon and robbed them of \$600. They certainly do do things in Chicago.

THE Sun—published at Vanceburg, now in Beckham county,—contains several attractive advertisements from poultry raisers. Are the old residents of the new county preparing a crop of roosters to crow for BECKHAM?

News comes from Rowan that former County Judge L. E. MANN of Morehead has announced his candidacy for Congress from the Ninth District—in opposition to JIM KENOE. Deceased is a brother of the Rev. E. G. B. MANN, late Presiding Elder of the Maysville District, M. E. Church, South, and also a brother of FLETCHER MANN of Paris.

ONE of the handsomest newspaper specimens that has come to THE LEDGER is The Binghamton (N. Y.) Press, a new candidate for public favor launched by Mr. WILLIS SHARPE KILMER. The worth of the paper is greatly enhanced by its wide scope of reading matter, practically covering the entire field. The ability displayed in the first issues assure the success of the enterprise.

Russia is buying another bunch of warships for the Japs to have fun with.

THE statement of WILLIAM JENNINGS BRYAN that Judge PARKER cannot be nominated by the St. Louis Convention practically insures his nomination. Everything that BRYAN predicts goes to other way.

If it be true as reported that the Russians have hanged an Englishman and an American, Johnnie Bull and your Uncle Samuel may yet take the kinks out of some of those wonderfully constructed names in the Far East.

AFTER a lockout of more than five weeks, causing the idleness of 10,000 men and the loss to them of wages amounting to \$18,000 a day, or \$540,000 in all, the lithographers of the country have gone to work once more. In Cincinnati alone, 300 men have been affected and the loss in wages there amounted to nearly \$7,000 weekly. The lockout was inaugurated because of the refusal of the men to agree to settle all disputes by arbitration. This point was eventually gained by the employers, and was one of the cardinal clauses in the agreement under which the men were allowed to resume work.

In the obituary of GEORGIA PARKER SPARKS in the Concord items in last week's Sun the name Mrs. DART TALMAN should have been Mrs. DART TALMAN, Mrs. BEN CARR should have been Mrs. BEN CAIN, and Mrs. ARTHUR STITES should have been Mrs. ARTHUR SUTER.—Vanceburg Sun.

There are many thoughtless persons who will blame the poor Printer for these mistakes, when the fault is with the writer of the article alone. If those who attempt to write for publication would only write plainly—and this applies particularly to proper names—there would be fewer errors in the papers and more joy in the world. People should remember that a wrong word is easily corrected or a missing word easily supplied; but when it comes to deciphering the name of an individual, the case is altogether different.

Alma, the bright little daughter of Mr. and Mrs. A. M. Potts of Clifton, Saturday observed the tenth anniversary of her birth in a most delightful way. She had as her guests at a pleasant party her teacher, Miss Ella Wallace, and sixty of her schoolmates. She entertained her visitors in a royal manner. Among the many presents she received was a very fine piano.

REPUBLICAN CONVENTION

Mason County Instructs For Messrs.
Bradley, Long and Ernst

The Republicans of Mason held their County Convention at 1 o'clock Saturday p. m. for the purpose of choosing Delegates to the Ninth District Convention which meets in this city tomorrow, and to the State Convention at Louisville May 3d.

County Chairman W. D. Cochran called the assembly to order;

And on motion he was made Chairman of the Convention, with John L. Chamberlain as Secretary.

The following resolutions were adopted unanimously—

The Republicans of Mason county in convention assembled adopt the following resolutions, to-wit:

First—That the high standing and efficient services of William H. Cox in the Senate of Kentucky as the Representative from this Senatorial District is deserving of recognition, and we, therefore, endorse his candidacy for Delegate to the Republican National Convention from this Congressional District, and instruct the Delegates from this Convention to the District Convention to vote for him for that position and to use all honorable means to secure his election.

Second—That the Delegates from this Convention to the State Convention be, and they are, instructed to vote for William O. Bradley, George W. Long and Richard P. Ernst for Delegates-at-Large from the state to the Republican National Convention and to use all honorable means to secure their election.

Third—That we endorse the candidacy of John W. Yerkes to succeed himself as National Committeeman from this state. His high character as a man, his efficient party services and National standing render him capable of representing the Republican party of this state in that position with great advantage to it. Whilst disclaiming all right to instruct Mr. Cox in the event of his election as Delegate to vote for Mr. Yerkes, we cannot refrain from expressing our desire that he shall do so.

All known Republicans of Mason county were authorized to attend as Delegates to both Conventions,

And then the Convention adjourned.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver; and all the fine spirits ever made in the Bluegrass State could not remedy a bad liver of the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower, the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. For sale by Henry W. Raf, Postoffice Drugstore.

A FITTING TRIBUTE

A Citizen of Maysville Pays a Well-earned Tribute

The following public statement of a respected citizen adds one more emphatic endorsement of merit to the scores that have appeared before.

Mrs. Philip Fiet of 129 East Fifth street says:

"Our son used Doan's Kidney Pills sold at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, with great benefit. He was troubled with a disturbed condition of his kidneys for a long time, evidenced by back-ache, brick dust sediment in the secretions and a tendency to inflammation of the bladder. The use of two boxes of Doan's Kidney Pills proved them to act up to their presentations made for them."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

CONSTIPATION

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I tried Cascarets, and today I am a well man. During the nine years before I used Cascarets I suffered untold misery with internal piles. Thanks to you I am free from all this this morning. You can see this to the benefit of suffering humanity." B. F. Fisher, Roanoke, Ill.

Dowie says that half of the United States Senators are worse than President Smith of the Mormon Church.

All the towns of Northern Illinois where Lincoln and Douglas had their famous debate in 1858 are setting up monuments marking the spot.

In presenting the budget to the House of Commons, Austen Chamberlain, Chancellor of the Exchequer, stated that the British revenue for 1903-04 was \$13,620,000 below the estimate, while the expenditures exceeded the estimate by \$15,035,000. The Chancellor proposed an increase of two cents in the income tax, an additional tax on tea and readjustment of tobacco duties.

Brigham H. Roberts, who was a witness in the Smoot case, declined to give the character of the oath a Mormon official has to take to have the support of the Church for political office. Roberts admitted he once failed of election to Congress because the Church failed to recognize his candidacy. He said he was still living with three wives and considered himself morally bound to do so. He kept his third marriage a secret from his other wives.

A Cure for Headache.
Any man, woman or child suffering from headache, dizziness or a dull, drowsy feeling should take one or two of DeWitt's Little Early Risers night and morning. These famous little pills are famous because they are a tonic as well as a pill. Whichever cleanses the system they strengthen and rebuild it by their tonic effect upon the liver and bowels. Sold by J. Jas. Wood & Son, Druggists.

The mussel shell grabbers are getting ready to grab for mussels in the Ohio.

There is an eight-foot rise in the Kanawha at Charleston, caused by raising the locks and dams in the river.

Pittsburgh reports the death of Captain William J. Kountz, aged 85, of Allegheny City. For 53 years Captain Kountz owned and operated boats on the Western rivers.

The steamship Kaiser Wilhelm II. recently made the run from New York to London in five days, twenty-three hours and twenty-nine minutes, constituting a record for the winter route.

Rivermen at Pittsburgh are interested in Senator Frye's bill to transfer control of steam vessels and navigation from the Secretary of the Treasury to the Secretary of Commerce and Labor.

Preliminary work has been started in the construction of the new No. 2 lock in the Monongahela river. A large force of laborers has been hired by Captain W. L. Sibert, who has charge of the improvement. The work will cost \$337,000 and is to be completed by June, 1905.

The Hatfield Coal Company, owners of the Henry DeBus, has instructed Attorney Carter Miller of Charleston, W. Va., to procure warrants for the arrest of men on a shanty boat near Lock No. 3, on the Kanawha, for firing five shots through the pilot house of the boat while passing there. Windows were broken but the steersman was not hit.

The big Sprague, owned by the River Coal Company, has made a record breaking run on her present trip between Louisville and Greenville, Miss. The boat went 863 miles in seven days and five hours. Considering that the Sprague is the biggest of its kind afloat and that the tow she is carrying amounts to 46 boats with 1,150,000 bushels of coal, the record is the more wonderful.

Colonel John L. Vance is in Pittsburgh booming the "On to Cairo" movement.

The Queen City Saturday night for Pittsburgh received at this point 600 cases of eggs, making over 1,000 cases shipped during the week.

The independent steamer Ben Hur will be up tonight for Portsmouth; down tomorrow night for Cincinnati; up Wednesday night for Wheeling and Pittsburgh, carrying freight and passengers for all up-river points.

Because of an epidemic of smallpox and other contagious diseases in the river districts of Eastern Ohio and West Virginia arrangements have been made to establish a quarantine station at Georgetown, Pa. All steamboat passengers coming into Pennsylvania will have to show certificates of good health at the place named, which is on the state line.

TRIBUTE OF RESPECT.

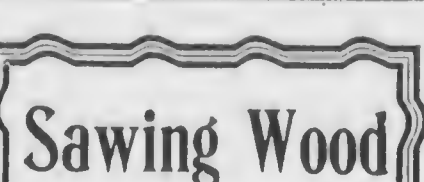

The following resolutions were adopted at a meeting of Joseph E. Johnston Camp No. 442, United Confederate Veterans, on April 21st, 1904: In 1863 a little band of twelve Confederates formed the above Camp, and its membership was gradually increased to eighteen; and an all-wise ruler seemed to specially watch over and favor these survivors of the "Lost Cause," and for days, weeks and years every member answered at roll-call until the evening of April 18th, 1904, when, for the first time since the organization, there was a break in the responses, and Companion John H. Peters no longer answered to the worthy call, but responded to the roll-call of his Heavenly Captain; now, therefore, be it

Resolved, That the death of our beloved Companion, John H. Peters, a member of Company H, Ninth Kentucky Cavalry, C. S. A., exemplifies the old adage that "Death never takes a shining mark." All agree that no true lover or better citizen and soldier was ever called from the life of earth to the joys of Heaven. He was ever true to his God—ever loyal to his country, although he wore the Gray. Worthy as a son and citizen, devoted, loving and tender as a husband, he lived a moral, upright life, he died a Christian gentleman. Words can go no further in his praise.

Resolved, That by his death our Camp has lost its most earnest member; we, as individuals, our trust and warmest friend; his lonely widow, all of brightness that was left her at the decline of life, and the community in which he lived an honest man and good neighbor.

Resolved, That it will always be the pleasure of this Camp to care for and comfort his bereaved widow, and to deeply share in her sorrow.

Resolved, That a copy of these resolutions be spread upon our records, that a copy be given to Mrs. Peters and that they be published in the Maysville papers. GARRETT S. WALL, JOHN W. HOUDEEN, THOMAS J. CHENOWETH, Committee.

Did you ever notice how much wood you can saw if you say nothing?

HAPPILY WEDDED
Dr. Charles Tabb Pearce and Miss Mary Hall Married
"Dr. and Mrs. C. T. Pearce will be at home at the Anthony, Seminary Place, Walnut Hills, after May 15."
The foregoing brief announcement was made Saturday. Behind it is the story of a pretty romance, the culmination of which will interest many who will recall Mrs. Pearce as Mary Hall, the clever and graceful leading lady of the Pike Stock Company in Cincinnati last season. While it has been expected for some time that Dr. Pearce and Miss Hall were to wed, it will no doubt be a great surprise to their many friends to hear that they have been married for over a month. The news of their marriage was kept a secret in order to permit Miss Hall to fulfill her contract for the present season with E. H. Sothern, in whose support the actress has been appearing since last fall. Miss Hall, as she is so favorably known, will bid adieu to the stage in Brooklyn this week, where she is appearing for the last time in Sothern's performance of "The Prond Prince."
The happy couple are to spend a brief honeymoon in the East, returning to Cincinnati soon to take up their permanent residence in a cozy home that Dr. Pearce has as quietly fitted out as he has managed to keep concealed the fact of his marriage.
In a quiet little rectory at Kankakee, Ill., on March 3, during the engagement of Mr. Sothern in Chicago, Dr. Pearce and Miss Hall were married.
Dr. Charles Tabb Pearce is a native of this city, and is the eldest son of Mr. Charles B. Pearce, Jr.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Bennett Zeff Took Demented Wife to State of Pennsylvania

Bennett Zeff, late of this city but now of Cincinnati, is charged with having taken his wife into the state of Pennsylvania when she was demented. This is said to be in violation of the laws of that state, and is punishable by a fine.

The case was brought to the attention of the Board of Public Service in Cincinnati in a letter from J. W. Clark, Director of the Department of Charities and Corrections of Pittsburgh, who says that Bessie Zeff, the wife of Bennett Zeff, is in the Asylum at Marshalsea, Pa., and was brought there by him when she was demented. The letter adds that if he has her brought back to Ohio at his own expense no action will be taken against him.

Representative Kehoe Friday had a conference with Senator Bate of Tennessee over the provision in the General Deficiency Bill, now pending in the Senate, providing for an appropriation of \$125,000 to pay the claims of Confederate soldiers for property taken from them in violation of the terms of the surrender. The present appropriation is to pay for claims which were filed up to the first of last March. Since then other claims equally as meritorious have been presented to the Department, but cannot be paid under the law. Senator Bate will offer an amendment to the bill extending until the 1st of next January the time for filing claims.

C. AND O. TRAFFIC

Plans for Handling Passengers to the St. Louis Exposition

A time-card meeting of the officials of the C. and O. and the Big Four Railways was held in Cincinnati Friday.

The question of through car service to St. Louis for the C. and O. over the Big Four Route was discussed, and it was decided that the World's Fair traffic could be handled with the present schedule.

Practically the only change in the trains will be an increase in the number of cars. More sleepers and chair cars will be needed, and this is the only matter which remains to be determined by the officials.

The C. and O. through trains will be taken from Cincinnati to St. Louis over the Big Four tracks by the Big Four engines, as heretofore.
